

# design thinking challenge

|                               |                      |                          |
|-------------------------------|----------------------|--------------------------|
| something tall                | something alive      | something to sit on      |
| something that can be carried | something that moves | something to hide inside |
| something for you             | something funny      | something for a friend   |
| something sweet               | something to ride in | something soft           |
